

DORI DENTAL ARTS

Bob Mothershead has been an invaluable part of our practice. Prior to opening, he helped us make decisions regarding potential spaces and helped us obtain a business loan among many other things. During the build-out he oversaw our contractor, and helped us make equipment decisions. We have been open 4 years, and since we have opened Bob, along with his partner, Robin Janowski, has facilitated a re-finance, helped us deal with other contractors, is helping us add an operatory and obtain another equipment loan, and has generally gone to bat for us. The process of building, opening and running a dental office is difficult. Bob has been instrumental in making that process easier and more pleasant. We would give Bob and Robin our absolute highest recommendation.
